

The Lazy Leader Transforms America— One Volunteer at a Time!

- Do you dream of getting more done with more volunteers?
- Are you ready tired of hearing “I don’t have time” when asking others to volunteer?
- Do you believe your club or organization can make a major difference in your community?

Like many volunteer leaders, you may struggle with getting others involved.

Instead of leading a vibrant team, you find yourself continuing to add more to your plate - and struggling to fight off burnout.

It doesn’t have to be that way...

The secret to creating an abundance of happy volunteers is committing to the way of the Lazy Leader.

[Cynthia D’Amour, MBA](#) and author of [The Lazy Leader’s Guide to Outrageous Results](#) will teach you how to get more work done through the involvement of others.

As a result of this program, you will know how to:

- Embrace the way of the Lazy Leader – rather than do all the work yourself.
- Hit potential volunteer hot buttons to turn “I don’t have time” into “I can’t wait to volunteer!”
- Build a happy, thriving team of volunteers to move your mission forward.

You will learn specific how-to strategies you can start to use right away.

Warning: If you embrace what Cynthia teaches and implement with enthusiasm you may find yourself facing a new challenge: what to do with a surplus volunteers!

EXTRA BONUS: All attendees will get \$79 worth of support materials to help make sure you start to get results from what they learn immediately!
